

PRIMARY DESIGN ARNE QUINZE

Stripped to the essence, PRIMARY is the first comprehensive Quinze & Milan collection and a line that deserves to be called a Quinze & Milan classic.

PRIMARY kicked off the use of QM FOAM™, a proprietary material developed and produced by Quinze & Milan. The pieces in this collection include stools with and without legs (POUF 01, POUF 02, POUF 03 AND POUF 04); one-, two- and four-seater settees (SOLO, DUO and QUATTRO); and a chaise longue (LOUNGE).

Soft materials and a simple design language are a tried-and-true formula for a happy marriage. Not only did POUF 01 receive a triple Henri van de Velde Award (Belgium, 2001), but the sassy character of this comfortable, water-repellent collection has made it a hit worldwide: look for PRIMARY in prestigious public spaces from San Francisco and Detroit to Cannes and Porto. The pieces in this collection also lend themselves to residential projects.

PRIMARY is also available upholstered in leather and fabric.
Custom color or sizes are available upon request.
